How to reach the Apart Hotel with public transport

From the *Airport Leipzig-Halle* trains are regularly running to the Central railway station Halle (Saale). Information is available at the airport. The trip takes roughly 15 minutes. A ticket (one way, 2nd class) is approximately 5 Euro (depending on the train).

From the *Central railway station Halle (Saale)* you take **tram No 7 (destination 'Kröllwitz')** and leave the tram at the stop '**Landesmuseum für Vorgeschichte**'. To reach the tramlines leave the station by the main exit and keep left. Tickets are available from the ticket machine or from the driver (it's a little more expensive). Please make sure that you validate your ticket in the tram. The trip takes roughly 15 minutes; trams are leaving every 15 minutes.

From stop 'Landesmuseum für Vorgeschichte' walk back a few steps until you reach E.-Schneller Strasse. Walk along this street until you reach Kohlschütterstrasse. The Apart Hotel is the building just at this corner.

How to get from the Apart Hotel to the MPI for Social Anthropology

After leaving the hotel from the main entrance, turn right and walk to the end and then along E.-Schneller Strasse until you reach R.-Wagner Strasse. Cross this road, keep straight (having the Museum for Prehistory on your right side and a small green area – Rosa Luxemburg Platz – on your left side) and walk along Ernestusstrasse until you reach Advokatenweg. Turn left and after a few steps you will reach the entrance of the MPI.

Reimbursement of travel costs

As this internal workshop is a cooperation of Max Planck Institutes we kindly ask you to refer to your colleagues in charge of business trip reimbursement at your home Max Planck Institute for refunding travel costs and hotel accommodation. Please provide the Apart Hotel with your Institute's correct postal address for invoicing. We look forward to welcoming you here in Halle.
