

# Directions

## *Directly to the AEI campus Potsdam-Golm*

Golm is a district of Potsdam, Germany located on the outskirts of the city. Potsdam is the capital of the State of Brandenburg and is located south west of Berlin. The AEI is part of the Max Planck Campus in the Science Park Potsdam-Golm.

### **From Berlin**

The regional train RB21 (direction Griebnitzsee) runs every 30 minutes from Berlin Ostbahnhof via Friedrichstraße, Alexanderplatz, Hauptbahnhof and Zoologischer Garten to the station Bahnhof Golm (travel time approx. 40 minutes). It is a 10 minute walk from the station to the Max Planck Institute or one stop by bus no. 605 or 606.

### **From Potsdam**

From the central station take bus no. 605 or 606 to the Science Park Golm (travel time approx. 30 minutes). The regional trains RB22 (direction Berlin-Schönefeld Airport) and RB21 (direction Berlin Hauptbahnhof) also stop at Golm (travel time approx. 10 minutes).

### **From Berlin-Schönefeld Airport (SXF)**

The regional train RB22 (direction Griebnitzsee) runs every hour between the airport and Golm (travel time approx. 30 minutes).

## *From the Airport – Zoo Station - AEI*

### **From Tegel Airport (TXL)**

The bus X9 runs directly from the airport to Zoologischer Garten. From there, take the train

RB 21 (direction Griebnitzsee) to Golm station

**From Berlin-Schönefeld Airport (SXF)**  
A regional train (direction Nauen) runs every hour between the airport and Zoo station (08:03, 09:03, etc.) (travel time approx. 40 minutes).

Please buy a “Berlin ABC” public transport ticket at one of the vending machines at the airport

station for this (3,30 €).

### **From Tegel Airport (TXL)**

The **express bus X9** leaving in front of Tegel airport runs directly from the airport to Zoo station (every 5-10 minutes, travel time 20 minutes).

For this bus ride, you need a “Berlin AB” public transport ticket which you can buy at the vending machines at the bus station or from the bus driver (2,70 €).

### ***From Zoo station to the institute***

There are regular direct train connections from Zoo station to the institute on Golm campus:
