## Covid-19 in the Rearview Mirror? Pandemics and Historical Perspective

SEPT. 22, 2020

14:00–15:30

How have research questions and practices changed since the beginning of the Covid-19 pandemic? This roundtable discussion looks back at the tumultuous year that has passed thus far. Panelists will reflect upon methodological changes for their work as a result of the outbreak and since they produced their videos for the MPIWG's "History of Science ON CALL" project in 2020.

- Harry Yi-Jui Wu (Hong Kong University)
- Edna Bonhomme (MPIWG)
- Anna Elsner (University of Zurich)

*Moderated by Lisa Onaga (MPIWG)*
