Titian, “Allegory of Time”. Source: Wikimedia Commons

MAY 11, 2022
15:00–20:00

Berlin Time

Zoom

This lecture series is organized by Alexander Blum, Michael Chase, and Katja Krause as part of the Max Planck Research Groups “Experience in the Premodern Sciences of Soul and Body ca. 800–1650” and “Historical Epistemology of the Final Theory Program.” Please follow this link for further information: <https://www.mpiwg-berlin.mpg.de/research/projects/scientific-questions-then-and-now>

The event is open to all interested. If you would like to join a session please contact Anina Woischig (sek.krause@mpiwg-berlin.mpg.de) by May 10, 2022. Please note that this event will be recorded and made accessible for the public. The Zoom links for each session will be circulated in advance to all registered participants.
