EDUCATION AND DEGREES

1998	PhD in History of Science, Utrecht University / Dissertation: 'Wetenschappelijk Onderzoek en Algemeen Belang'. <i>De Chemie van H.R. Kruyt (1882-1959)</i> (advisor: prof. dr. H.A.M. Snelders)
Winter 1995	Visiting Student, Science Studies Program, University of California, San Diego, USA (advisor: prof. Steven Shapin)
1992	MSc Chemistry (<i>Doctoraal scheikunde</i>), Vrije Universiteit Amsterdam, Major in Physical Chemistry, Minor in History of Science
1986	Final Examination Grammar School (<i>ongedeeld VWO</i>), Veenlandencollege, Mijdrecht

APPOINTMENTS

2014-2016	Adjunct Senior Research Scholar, Department of History, Columbia University, New York, USA
2001-present	<i>Universitair Docent</i> (tenured), History Department, Faculty of Arts and Social Sciences, Maastricht University
1998-2001	<i>Universitair Docent</i> (untenured), History Department, Faculty of Arts and Social Sciences, Maastricht University

1997-1998	Othmer Postdoctoral Fellow, Chemical Heritage Foundation, Philadelphia, USA
1992-1996	PhD student (paid position), Institute for the History and Foundations of Science, Utrecht University
1990-1991	Translation coordinator Dictionary of Chemistry, Amsterdam
1989-1992	Private tutor, Amsterdam

functions

2013-2014	PhD Training Coordinator, Netherlands Graduate Research School for Science, Technology and Modern Culture (WTMC)
2007-2013	Academic Coordinator, Graduate School of Arts and Social Sciences
2006-2007	Acting Chairman History Department
2000-2002	Basic Program Coordinator, Arts & Sciences Program (<i>doctoraalopleiding Cultuur- en Wetenschapsstudies</i>)
1999-2002, 2006-2007	Secretary History Department

fellowships

Sept.-Dec. 2016	Visiting Scholar, Max Planck Institut für Wissenschaftsgeschichte, Department II (Lorraine Daston), Berlin, Germany
Spring 2015	Guest Researcher Royal Netherlands Institute in Rome
2014-2017	Marie Curie International Outgoing fellow, 2014-2016 at Department of History, Columbia University, USA
April-May 2013	Visiting Researcher, Department of the History of Science, Harvard University, USA
Spring term 2012	Guest Researcher, Department for History of Science and Ideas, Uppsala University, Sweden
October 2011	Visiting Researcher, Department of the History of Science, Harvard University, USA
Summer 1996	Visiting Researcher, Wellcome Unit, Department for History and Philosophy of Science, Cambridge University, UK

AWARDS AND GRANTS

Marie Curie International Outgoing Fellowship (EU, 7th framework programme) for “Science and World Order’. Uses of Science in Plans for International Government, 1899-1950” (€ 359.081,90), 2014-2017.

Research Stimulation Fund Grant for assisting in Sarton exhibit, Department of the History of Science, Harvard University (€ 2.229,-), 2013.

PhD project grant for “Civilization and its Discontents: Universalism and Colonialism in UNESCO’s International Science Program, 1945-1954” (€ 172.000,-), candidate Thomas Mougey, promotor: Wiebe Bijker, 2012-2016.

Visiting Fellowship, Department of History of Science and Ideas, Uppsala University, Sweden (SEK 150 000,-), 2012

Research Stimulation Fund Grant for archival research on Sarton papers, Houghton library, Harvard University (€ 1500,-), 2011.

PhD project grant for “Beyond Babel: Science and Universal Language in the Early Twentieth Century” (€ 160.000,-), candidate Fabian de Kloet, promotor: Wiebe Bijker, 2009-2012.

NWO Research Grant (€ 42.000,-) for *The Observatory Observed* (part of CO-OPS: *Exploring New Territories in Art and Science*), 2006-2007.

Faculty of Arts and Culture Substitution Grant (*Breedtestategie*) for *Universalist Art in the Making: A Science Studies Look at the Neoplastic Work of Piet Mondrian* (part of program Beyond the Three Cultures), 2004-2005.

Faculty of Arts and Culture subsidy (*Breedtestategie*) for workshop *Experimenting in Arts and Sciences*, 2001.

CHF Travel Grant for: *Scientific Internationalism in the Age of World War II: Ideology and Practice*, Summer 2000.

Huizinga Institute Internationalization Grant (df. 25000,-) for workshop *Pursuing the Unity of Science: Ideology and Scientific Practice*, 2000.

CHF Othmer Postdoctoral Fellowship, 1997.

NWO Visiting Grant for Visiting Studentship Science Studies Program, San Diego, 1995.

- 2008 Lecture series *Science in the Modern World*, Maastricht University, May 13 - June 17.
- 2001 Lectures on “The Second Golden Age of Dutch Science” and “J.H. van ’t Hoff”, Leiden University, January.

Teaching Instruction

- 2013 Instruction videos Problem Based Learning, Maastricht University.
- 2008 Lectures and seminars on “The Scientific Revolution”, *Teachers Academy* (for history highschool teachers), October 20 – November 13.

PhD level

- 2013-2014 Workshops, Summer Schools, and Dissertation Days for the Netherlands Graduate Research School for Science, Technology and Modern Culture (WTMC), in my role as PhD Training Coordinator.
- 2007-2013 Biweekly training sessions, dissertation meetings, and workshops for Maastricht Graduate School of Arts and Social Sciences, in my role as Academic Coordinator.
- 2013 Huizinga Institute Summer School *Cultures of War and Peace*, The Hague and Utrecht, June 17-19.
- 2012 PhD seminar, Department of History of Science and Ideas, Uppsala University, Sweden, May 22..
- 2008 Huizinga Institute (graduate school cultural history) dissertation day, Barchem, March 28.
- 2006 Huizinga Institute workshop *Science and Culture around 1900*, Amsterdam, November 24.
- 2006 WTMC (graduate school science and technology studies) workshop “Thomas Kuhn and the Importance of Research Communities”, Ravenstein, January 19.
- 2005 Moderator at WTMC/Huizinga Institute master class with Erasmus Prize winners Steven Shapin and Simon Schaffer, Amsterdam, November 16.
- 2005 WTMC/Huizinga Institute workshop in preparation for Shapin & Schaffer master class (see above), Utrecht, October 30.
- 2002 Huizinga Institute workshop *History of Science as Cultural History*, Amsterdam, May 27.

Masters level (including fourth year ‘doctoraal’ program)

- 2010-present Lecturer, MA European Studies, track Europe and the World
- 2010-present Lecturer, MA ESST, specialization level.
- 2009-present Thesis advisor, MPhil CAST (Cultures of Arts, Science and Technology)
- 2008-2009 Co-designer and tutor *Researching Mediations of Body and Mind in Science*, MPhil CAST
- 2006-present Thesis advisor, MA Arts & Sciences (*masters Cultuur- en Wetenschapsstudies*).

- 2006-present Designer and tutor skills training *Historical Source Analysis*, MPhil CAST.
- 2006 Designer, coordinator and tutor tutorial *Science Studies*, MA Arts & Sciences.
- 2004-present Workshop *Art and Science*, second semester, MA ESST (European program on Society, Science and Technology).
- 2004-present Member Planning Committee and tutor module *Expert Intervention*, MA Arts & Sciences.
- 2000-present Thesis advisor, MA ESST.
- 2000-2006 Thesis advisor, Arts & Sciences (*doctoraalopleiding Cultuur- en Wetenschapsstudies*).
- 2000-2004 Designer, coordinator and tutor course Science Studies (*Selling Science. Grenzen en Geloofwaardigheid in de (Natuur)wetenschap*), Arts & Sciences.
- 2000-2001 Designer, coordinator and tutor tutorial Science and Politics (*De Roep van de Rede*), Arts & Sciences.
- 1998-present Designer, coordinator and tutor module *Interpreting the History of Science and Technology*, MA ESST.
- 1998-2006 Lecture *History of Laboratories*, MA ESST.
- 1993-1994 Thesis advisor, MSc chemistry (*doctoraalopleiding scheikunde*), University of Utrecht.
- 1993-1994 Designer and tutor Seminar history of chemistry, MSc chemistry, University of Utrecht.

Bachelors level (including first to third year ‘doctoraal’ program)

- 2016 Seminar “Marx and Engels”, in C1102 “Contemporary Civilization”, dr. Jenny Boulboullée.
- 2016 Workshop “The Idealism of International Science”, Undergraduate Committee on Global Thought, Columbia University.
- 2015 Lecture “Scientific Internationalism”, in HIST 3388 “Introduction to the History of Science”, prof. Deborah Coen, Columbia University.
- 2012 Nominated for Teacher of the Year Award, BA Arts and Culture.
- 2012 - present Designer and teacher freshman Course *History and Philosophy of Science*, BSc Maastricht Science Programme.

- 2011- present Mentor students BA European Studies.
- 2011- present Mentor students BA Arts and Culture.
- 2009-2010 Tutor Course *The Idea of Europe*, BA European Studies.
- 2009 Tutor Skills Training *Back to the Sources of the EU*, BA European Studies.
- 2009 Tutor Skills Training *Back to the Sources*, University College Maastricht.
- 2008-2009 Designer and tutor tutorial *Terra Cognita: Science and technology in a globalizing world*.
- 2007 Co-designer *Seminar and Symposium: GM Foods*, Minor *Living with the Life Sciences*.
- 2006-present Designer, coordinator and tutor course *Knowledge and Criticism* (on Scientific Revolution, Enlightenment and Romanticism), BA Arts & Sciences, international program.
- 2006 Tutor *Faultlines of Europe*, BA European Studies.
- 2006 Tutor Skills Training *Conceptual Analysis*, BA European Studies.
- 2004-2005 Member Planning Committee course *Frankenstein's Hope* (on Technology Studies), BA Arts & Sciences, international program.
- 2004 Tutor Research & Writing, BA Arts & Sciences (*bachelors Cultuurwetenschappen*).
- 2003-2005 Internship advisor, BA Arts & Sciences.
- 2002-present Designer, coordinator and tutor course *Kennis en Kritiek* (on Scientific Revolution, Enlightenment and Romanticism), BA Arts & Sciences.
- 2000-2001 Coordinator (2001) and tutor course *Avantgarde en Massacultuur* (on Avant-garde Movements in Art and Politics), Arts & Sciences.
